

# Dishpan Springs

Requirements:Rated- (Tough (Black) Minimum 32" tires and a locker required. Low ground clearance vehicles are likely to get scraped on the rocks

Description:Starting at the Crab Flats Campground down 3N34 to the Deep Creek T-6 Water Crossing, this trail offers the best wheeling Big Bear has to offer. From deep and winding V-Notches to "The Wall" this trail is a Black Diamond Trail. "The Wall" is the single obstacle in the San Bernardino National Forest that has caused the most roll-overs and body damage on the Mountain. Driver beware!
